

## **In-House Customs Brokering /Ministry of Primary Industries (MPI) Clearances Services**

Our team at Neptune Pacific Line and Pacific Forum Line have extensive knowledge and a proven history of handling all customs clearance requirements.

With over 20 years' experience in the industry, we have the capacity and knowledge to handle general customs queries, through to MPI and complex entries.

With our industry experience, we have built and maintained a professional working relationship with New Zealand Customs and MPI.

### **Why Our Clients Work With Us**

- Import and Export regulations can be complex and time consuming. We help to our clients move cargo in a timely and cost effective manner.
- We guide our clients through the process to avoid any unnecessary demurrage, storage charges at the destination port.
- We specialise in Pacific Trade, including all commercial, bulk, fresh, frozen, produce plant products, and personal effects. Being specialised means we can assist our clients' goods reaching their destination faster, at a very competitive rate.
- As Licensed Customs Bond (CCA) we can hold cargo, pending Custom and MPI clearances.
